ABOUT US

The Chemsex Conference 2026, taking place from 3–5 March 2026 at the Institute of Tropical Medicine in Antwerp, Belgium, is a unique international event that brings together people with lived experience, healthcare professionals, researchers, policymakers, and community advocates from across Europe and beyond. This year's theme – “Optimising support and care for people engaging in chemsex” – highlights urgent global challenges and calls for meaningful, cross-sector collaboration.

YOUR SUPPORT TRULY MATTERS

By supporting this conference:

- You demonstrate social responsibility in addressing public health, sexual wellbeing, substance use, and LGBTQ+ health.
- You enable broad and affordable participation from community members and frontline professionals.
- You increase your organisation's visibility in a global network of key stakeholders.
- You position your brand as a partner in innovative care and harm reduction strategies.

WHY US?

IMPACT OF YOUR CONTRIBUTION

Your contribution helps:

- keep registration fees accessible
- ensure diverse, global representation among speakers and participants
- strengthen the international network of chemsex responders and advocates

WHY SHOULD YOU SPONSOR?

By supporting, your organisation demonstrates a strong dedication to tackling important health and social challenges. Beyond the core benefits of social responsibility and enhanced visibility, sponsorship provides:

- Access to cutting-edge research and insights
- Exclusive networking: engage directly with an international community of healthcare professionals, policymakers and researchers
- Brand differentiation: stand out as a forward-thinking organisation dedicated to addressing complex challenges
